Note: Colors represented here are only close representations to the actual powder coating

## BOTTOM RAIL & END CAPS

Roll-A-Shade's proprietary bottom rail is durable, sleek and attractive. It is available in all standard colors to match the fascia and installation brackets. The plastic end caps are available in black and white.

## OVAL BOTTOM RAIL & END CAPS

This aluminum bottom rail is larger than our standard bottom rail. The end caps are screwed to the rail giving it a tidy look. The bottom rail is available in white, black, dark bronze, vanilla, black and anodized aluminum. The end caps are available in white, black, gray and vanilla.

## HEM BAR

The 2 inch sealed pocket hem bars are heat welded at the top and the sides to provide a refined unobtrusive appearance.
